Student Health Services Highlights | 2020

Our Mission
Student Health Services exists to advance student development and academic success by providing personalized and evidence-based healthcare to Aggies.

Our Vision
To be our students’ first choice in healthcare and a nationally recognized leader in college health.

Department Overview
Student Health Services provides healthcare to all currently enrolled Texas A&M University students. In response to the pandemic, limited services are also available for faculty and staff.

Additional Services
- Behavioral Health
- Emergency Medical Services
- Nutrition Services
- Physical Therapy
- Preventive Medicine
- Radiology

Budget
- Student Health Fee: 70%
- Fee for service: 30%

Accomplishments
- Campus leader and resource for COVID planning, operations and testing programs
- Established Behavioral Health to support physicians with the increasing mental health needs of patients
- Maintained AAAHC healthcare organization accreditation for 25+ years

Goals
1. Increase the student health fee cap from $75/semester to $200/semester (legislatively capped at $75/semester)
2. Receive approval to fund a new student health facility

COVID Pandemic Response
- SHS remained fully operational during COVID pandemic
- Added Telemedicine to serve students regardless of location
- Implemented a medical isolation tent for safe testing
- Collected and processed over 38,000 COVID tests using multiple campus locations
- Managed over 68,000 patient results and notifications

Student Engagement + Outreach
- 150+ students employed in experiential learning thru direct patient care in:
  - Nursing
  - Physical Therapy
  - Emergency Medical Services
  - Medical Laboratory
  - Pharmacy
- Majority accepted into professional school or pursue careers in medicine

Emergency Medical Services
EMS responds to medical and traumatic emergencies on the Texas A&M campus and surrounding community. EMS operates 24/7/365 and provides mutual aid to College Station and Bryan.

EMS Patient Demographics
- 45% Texas A&M students
- 55% Faculty, staff and campus visitors

EMS Staffing
- 900 Ambulance Runs
- 2 Full-Service Ambulances
- 7 Full-Time Employees
- 100+ Part-Time EMTs
