

Strategic Priority 4: Student Learning through Engagement

We acknowledge each student’s unique developmental journey. We commit to student learning by providing a wide array of experiences that allow for varying levels of involvement resulting in student growth in personal and career-ready competencies.

4.1 Engage students with various levels of involvement that provide student learning opportunities.

4.2 Create high impact experiences that develop competencies necessary to live, work, and have impact in a global society and economy.

Obj.	Action/Strategy	Metric(s) for Success	Progress	Responsible Party
