Fall 2025

Strategic Priority 4: Student Learning through Engagement

We acknowledge each student's unique developmental journey. We commit to student learning by providing a wide array of experiences that allow for varying levels of involvement resulting in student growth in personal and career-ready competencies.

4.1 Engage students with various levels of involvement that provide student learning opportunities.

4.2 Create high impact experiences that develop competencies necessary to live, work, and have impact in a global society and economy.

Obj.	Action/Strategy	Metric (s) for Success	Progress	Team Lead	Workgroup / Team Members
4.1.a	Establish a clear and consistent definition of "engagement" that is recognized across the university.	In conjunction with the Committee on Student Learning in the Cocurricular, Definition created and adopted by DSA.	Target: November 2025	Susan Fox-Forrester - SAPAR	Darby Roberts - SAPAR Kaitlin Burg - Stu ACT & Input from Luke Altendorf and the former workgroup
4.1.b	Implement a technology-driven system to recommend engagement opportunities based on individual student interests.	Test system and implement by start of School in Aug 2025	COMPLETE	Technology Services - Enterprise Application Services	DSA IT Governance Student Organization Management Steering Committee
